## Join the 2<sup>nd</sup> Vintage Kiwi RAGLAN Mini Rally

## Friday 13 Nov - Sunday 15 Nov 2009

Again the sole use of Raglan Airfield is reserved for Vintage Kiwi gliders and tow planes. Last year Raglan proved to be an excellent gliding site, and quite a few hours were made. The camping grounds are right beside the airfield, and Raglan township is a 2 minute walk away. The camping has excellent facilities for the whole family. The beaches are right there and there is plenty to do for everyone else when dad goes gliding!

To be able to organize enough towing capacity we'd appreciate if you let us know if you're coming. We can also arrange reservation of camp sites, flats or bungalows at the camping – or you may do that yourself.

### Program:

Friday 13/11 from 10:00 Arrivals, get sorted, fly-inn, set up camp... and do some flying!

Saturday 14/11 from 10:00 Flying, aero towing with Wilga PZL, trial flights & passenger flights with visitors in the Blaniks. In the evening BBQ at the camp grounds.

Sunday 15/11 As above, until pack down in the afternoon.

Saturday & Sunday a \$5 donation lunch will be served at the launch point.

VK will charge a \$15 Rally Fee pr. participant (this either glider, or family, or couple) – proceeds will go towards further organizing of other Rallies. Landing fees are by special arrangement with Waikato Districts Council and VK, and again we will charge only a one off fee of \$5 pr. aircraft for the 3 day period! Can't complain about that...

Please give Robert Smits or Greg Douglas a call, txt or email to let us know you're coming!

Info that can come handy:
